YOUTH POWER! is the New York State Network of young people who have been labeled and are seeking change. Together we have decided to speak up about our experiences because no one knows what it is like for us better than we do. Through peer to peer mentoring, we empower young people to be active citizens, aware of government operations, their rights and the ability to use their voices to influence policies, practices, regulation and law.

LI Crew – YP! is broken up into 5 regions: Hudson River, Western, Central, New York City and Long Island. Long Island is made up of both Suffolk and Nassau Counties.
