NEW YORK STATE
SYSTEMS OF CARE

Systems of Care means coordinated, connected, and community-oriented support for New York families. It’s rooted in a philosophy that together we can provide opportunities for children and their families function better at home, in school, in the community, and throughout life. No one organization can do this alone.

GUIDING PRINCIPLES

- FAMILY DRIVEN
- YOUTH GUIDED
- EVIDENCE BASED AND COMMUNITY DEFINED PRACTICES
- INDIVIDUALIZED
- COMMUNITY-BASED
- CULTURALLY AND LINGUISTICALLY APPROPRIATE
- UNCONDITIONAL

Systems of Care is about sharing resources and responsibilities across organizations so families can access a larger network of supportive services, including:

- HEALTH
- BEHAVIORAL
- SOCIAL
- EMOTIONAL
- EDUCATIONAL
- DEVELOPMENTAL

By working together, we can impact the life and wellness of children, youth, and families.

These materials are products created via Cooperative Agreement #5H79SM063413-02.
